Board of Directors Update

Reopening the Senior Center: Groups now using the Senior Center include the quilters each Monday, domino and cribbage players every day and a crochet/knitting group on Tuesday. The crochet/knitting ladies could use a few more participants. If there are other groups interested, please call me between 0900 and 1300 hours at 687-3877.

Frozen Meals: Effective 1 October, Silver Key has reduced the meals to three (3) per week. This is a result of them running low on funding. Suggested donation is now \$6.75 per person per week. Reservations need to be made no later than 12 o'clock on each **TUESDAY**. If you know of someone who could benefit from this program please encourage them to contact the Senior Center at (719) 687-3877.

Zoom Bingo: This continues each Thursday at 10:30. You can either join on your computer or by phone. Prizes for the winners each week can be picked up at the Senior Center on the following Monday. Jeanette is now calling the games from the Senior Center on Thursday beginning at 1030 so those of you who feel safe may now play in the Center while others can continue using ZOOM.

Drive Through Yard Sale: This was a tremendous success. Thank you to everyone who made this possible. This began with removing everything from the sheds and sorting them between yard sale and Christmas items and discarding those items that would not sell. On the day of the sale, everything was placed on tables in the parking lot. People began showing up immediately and were very generous in their offers for the items purchased. I was really impressed with our men who came to help. They instinctively knew to keep their mouth shut and do what they were told.

Blankets: The Community Service office at the sheriff's department have donated 10 fleece blankets. These were community service projects and are available **FREE** to whoever gets them first. Additional blankets have been requested.

Community Dinner: The Mountain View UMC Community Dinner is scheduled to begin in October. A hot meal plus dessert on a take-out, pick-up or delivery basis only. This will be available on the first and third Wednesday of each month from 5 to 6 pm. Please call 405-550-7510 for a reservation. The church is located at 1101 Rampart Range Road, Woodland Park.

Leaf Tour: We only had 6 people to participate in the trip and they only found a group of 3 trees that still had leaves. However, everyone enjoyed the opportunity to get out and socialize. Thank you to Joanie's for the sack lunches. Hopefully we can continue to have outings such as this.

The Senior Center now has a commercial quality Air Purifier. Our inside air is now circulated through a triple filter system every 3 hours. Thank -you to the **Pikes Peak Medical Center Foundation** for looking out for the Woodland Park seniors.

Thanks to all the **Yard Sale volunteers** who turned out to help make the event such a great success. Folks showed up at 6am to start setting up tables, putting out the street signs, emptying out the sheds and sorting the items. Folks stayed to help man the sale. Folks came at the end to help load and carry off the left over items to Goodwill. Now our sheds are cleaned out and our treasury is a bit more filled. Thanks to all who helped!

Not only are our sheds cleaned up inside, they have also been painted. They look so nice - almost like new. Thanks **Keep Woodland Park Beautiful** for this wonderful service you provided to the center.

Woodland Park Senior Organization (akaClub) was formed July 12, 1973, to bring together seniors **age 50 and over**, in Teller and adjoining counties, to promote the well-being of senior citizens and adults with disabilities by providing social interaction, mental stimulation and healthful activities. When we reopen, stop by any weekday between 9am and 1pm to check out activities we currently provide that might interest you and to suggest additional activities for our community!

Senior Center Limited Activities Protocols

The Senior Center has reopened for activities with protocols in place to protect the health of our members. The number of individuals in the center at any one time is restricted to 20 people. All individuals are checked in at the front desk noting date, time and activity so folks can be notified if it is found there has been an exposure to Covid. Temperatures will be taken and anyone with a temperature of 100 or greater will be asked to leave. Masks are required for anyone entering the center.

After each activity any supplies used as well as the tables and chairs will be sanitized. Door knobs and other surfaces touched during the open hours will be sanitized frequently though out each day.

Co-operation is requested by all who come into the center. It is hoped that additional activities can be added as we become comfortable that these practices are accepted by our membership.

The health and well being of all is our goal!
