Board of Directors Update

As spring is trying to break through, winter is trying to hold tight with a few more snowfalls. Daffodils can be seen peaking through the snow, robins are busy making nests and hunting worms. We at the Senior Center are getting ready for our spring and summer activities also. Preparations are underway for freshening up our spring hats and choosing our dress-up clothes for the High Tea. Folks have begun spring cleaning and are sheds are filling with Yard Sale items. Plans are underway for the summer Picnic in the Park. Outdoor outings are being planned for our monthly trips. We are all busy welcoming the warmer weather!

All of these activities are a result of the volunteers who put in long hours. We have some very active folks stepping up to head the committees needed to provide the fun we all experience as a result of their dedication. But no single person can accomplish all that goes into an event. Without folks to fill out a committee, the planners can not bring forth the fun! Folks are needed to do the simple things like setting up and cleaning up, gathering needed supplies, calling folks who sign-up to remind them of the upcoming event, getting the word out about the activities. There is a place for everyone to become active and to be a support to those taking the lead and it is really fun and satisfying to work together. Take a look at the upcoming events and see where you can help!

Additionally, as we go forward, those folks who are taking the lead need to know the events being planned are what our membership enjoys. The goal is always to provide activities that keep all of us involved and active. So, be sure to let folks know when you enjoy what is being provided as well as sharing ideas for new activities. ***Thank the committee members when you participate in an event—let them know they are valued and appreciated.*** Reach out and ask how you can help on one or two of the events this spring and summer. You just might find you are having more fun!

April's catered meal was a delicious Italian feast provided by Mike from The Stuff Food Emporium. Thanks Mike we look forward to your return in July during our Summer Yard and Craft sale. During the meal, Pete Jarvis took us all on a wonderful virtual hiking trip exploring trails in Teller and Park Counties. Ready to lace up those hiking boots and get into the great outdoors?

Our wonderful crafts ladies continue to keep our afternoons busy as we nurture our creative spirits. Thanks Jeanette, Aline, Gwen and Susan.

Debra's art classes have produced some very unique pieces as she introduces folks to unusual techniques and mediums. Check out some of the results around the center. Thanks Debra for your time and talent.

The knitting club continues to turn out hats for the needy. These ladies have provided over 50 hats to our community. Thanks to each of you!

UTE PASS Chamber Players

SAVE THE DATE: JUNE 1ST CONCERTO FEST BENEFIT FOR KCME 88.7 FM!

Each year the Ute Pass Chamber Players dedicate one regular season concert for the benefit of a local charitable organization. Previous beneficiaries have included Teller Senior Coalition, Habitat for Humanity of Teller County, the Mountain Top Cycling Club, the Woodland Park Senior Organization, VFW Post 11411 and Auxiliary, and Community Cupboard of Woodland Park. Last year the ensemble's annual gift was to the entire community by presenting the Founders' Concerto Fest concert as a free event open to the public, drawing a sizeable audience despite bad weather.

The Concerto Fest was so enjoyable to musicians and audience alike that Concerto Fest 2019 will be presented at 3:00 PM on June 1, 2019 at High View Baptist Church, 1511 Rampart Range Road in Woodland Park. This extraordinary program will feature works by Vivaldi, Vaughan Williams, Hummel, Chaminade and Beethoven, performed by 35 amazing professional musicians from the Pikes Peak Region in support of KCME's mission to enhance the quality of life through music. A small number of tickets will be available at the door for \$15, \$5 for students with a valid school ID. However, since seating is very limited, online advance ticket purchase is highly recommended by visiting the KCME website (www.KCME.org) and clicking on the "Ticketed Events" button.

Additional information about the concert will be available May 1st by visiting utepasschamberplayers.org and on the air at KCME 88.7 FM.
