Finance Update

AND NOW, A WORD FROM OUR TREASURER

The Club's fiscal year was half over as of 30 June so it's time for a financial update. We continue to do much better than last year. June showed a profit of \$732. Our operating funds show a \$1345 loss for the year so far, BUT this time last year we had a \$4445 operating loss AND had sold \$4000 of securities to pay the expenses. We have sold no securities this year and it's still looking like we won't need to. I attribute our better financial position to dues, donations of lunch food and cash, and event sponsorships. Although the board of directors voted to increase dues in both 2016 and 2017, I'll ask the board to re-evaluate the need for a 2017 increase this fall. It may not be necessary. Now wouldn't that be nice?

MONTHLY MUSIC SERIES COMING TO WOODLAND PARK SENIOR CENTER

Take a break from the ordinary! Woodland Park Senior Citizens Organization will feature musicians from around the Pikes Peak region playing Bach to the Beatles and everything in between! The first (very) mini-concert will be "Gershwin After Lunch" performed by Bob Dunn (clarinet) and Barb Riley-Cunningham (piano) on Tuesday, August 23rd, at 12:30. The performance is open to the public and free of charge. (Donations are always appreciated to support Senior Center operations.)

Future performances will feature musical groups from Pikes Peak Community College, professional brass, wind and string ensembles based in Colorado Springs, concert previews by the Ute Pass Chamber Players, and local Country Western and rock music performers. The series is being made possible in part by the acquisition of a new piano for the Senior

Center, through the combined generosity of the Ute Pass Chamber Players, the Pikes Peak Community College Music Department, and Clark Wilson, Piano Technician.

COMMUNITY CAFÉ

Community Café, provided by Teller Senior Coalition, has greatly improved our lunches and is well worth the increase in price. We can thank TSC for subsidizing the program and Chef, Gerry Coulter, for the delicious and varied menus.

We would like to ask for your help in one area. Planning a meal for 15 people is not the same as for 30 or 45. That is why it's important to make your reservation ahead of time. Help the Chef plan appropriately for these meals and avoid waste. In addition, your cancellation, should it be necessary, is greatly appreciated.

We want this program to continue to be a success and this is one way we can all help that happen.
