FEBRUARY, 2016

Volume 7, No. 2

STATE OF THE FINANCES

Dear Members,

The Club began a new fiscal year on 1 January, so I owe you a report on our 2015 finances. There's good news and bad news.

The bad news is we continue to operate at a loss. As you can see on the Profit and Loss Report in this newsletter, we lost \$2452 in 2015. We also had to sell \$4000 in securities, so our total actual loss is \$6452.

The good news is we're not losing money as fast as we have been and may have actually turned the corner. Our operating loss for 2014 was \$4135 so we've improved in that area. Also I have considerable money in our checking account to pay bills now. This time last year, we had to sell securities to pay the bills. The Board of Directors top fiscal goal for 2016 is to NOT have to sell securities. Looking at our budget for 2016, I believe that is realistic. Our 2015 improvement and optimistic outlook for 2016 is due to your generous donations, our Director of Activities, Pamela, successfully soliciting more business donations, price increases for the pancake breakfast and catered lunch and the 2016 dues increase.

Our best net income producers for 2015 were:

Cash donations	\$5551
Members' dues	\$4305
Pancake breakfast	\$3644
Merchandise/cards	\$2675
Catered lunches	\$2235
Building rental	\$2055
High Tea	\$1935
Bazaars	\$1889
Cowboy lunch	\$1570
Chili Cook-off	\$1309

Our largest expenses for 2015 were:

Salary	\$15669
Payroll taxes	\$6530
Electricity	\$2666
Janitor	\$2650
Insurance	\$2265

Other questions you may have: Yes, Teller Senior Coalition pays us partial reimbursement for gas and electricity. Our landlord, the City of Woodland Park, provides free water, sewer, trash collection and a phone line. We couldn't operate without their support.

Our "nest egg" is in EQIS securities and managed by board member Tom Holmes, CFA. The market value on 12/31/15 was \$27,137.

I quit hanging monthly financial reports on the bulletin board because I doubt anyone was reading them. But...our finances are an open book to members. I will happily provide our monthly Balance Sheet, Profit and Loss statement, or any other financial report to you upon request.

Bill Avery
Treasurer

Now Accepting Donations

One long-standing source of income for the Club is our ongoing display of items offered for a suggested donation. We accept household décor, craft supplies, puzzles, knick-knacks, small appliances and some clothing. If you are thinking about Spring cleaning, keep the Senior Club in mind! Remember, your donations are now tax-deductible.

MAKE A BIRDHOUSE OR A FEEDER FROM A GOURD!

Daybreak, an adult day program, is planning to create a bird sanctuary in their backyard. Aline Goodchild has volunteered to teach us how to make bird houses and feeders out of gourds for their sanctuary. If you are interested in participating we would like to know what would work for you? The class will take 4 1/2 to 5 hours. We can do it all at once on a Saturday, or 1 to 5 on a Tuesday, or we can break it down into two classes. Please tell us your preference on the form provided at the Senior Center front desk. **WHAT WORKS FOR YOU?**
