HOW CAN YOU HELP YOUR CLUB?

What is the difference between Woodland Park Senior Citizens Club and Teller Senior Coalition (TSC)? This question comes up often. TSC is a Senior Services organization. They offer needed services such as home-delivered meals, handyman services and transportation. The Club, however, is just that...a Club. We, as a group, plan and put on activities that are social, entertaining, healthful (tai chi and exercise) and educational in nature. While as a 501©(3) organization, we qualify to go for appropriate grant dollars, we do not rely on government funding. With income from dues, pancake breakfasts, catered meals, special fundraising events (Chili Cook-off, Afternoon Tea, Summer Bazaar, Wild West BBQ & Silent Auction) thrift sales, private donations and grants, we support ourselves and have for over 40 years.

All of these events as well as other activities of the club require planning, coordinating and managing. Your help is needed.

If there is entertainment you would like to see brought to the Senior Center, or an educational presentation, or a trip to some particular destination, we want to hear about it. Better yet, can you help put it together?

There are also any number of holidays that call for a party. Valentine's Day, St. Patrick's Day, Independence Day, Halloween, Christmas, New Year's and whatever other days there are to celebrate. Which would you like to plan? Pick just one and talk to the Activities Director about your ideas. What decorations do you need (we have a lot of them already)? Will there be games or drawings? Will there be food involved? We know there are some party animals out there. Bring your ideas and enthusiasm to the Club for the parties, trips, fundraisers, and entertainment. Remember, this is your Club.
