Board of Directors' Update

As most of you know, due to a series of unfortunate incidents, Dee, our Director, was forced to resign to seek full-time employment. Dee's last day was 31 August. She has been a tremendous asset to the Center and will most certainly be missed. Dee, we wish you the best of luck in finding full-time employment that fits your many talents. Any time you are in Woodland Park please stop by and say hello to your friends. The Senior Center continues to operate under the direction of the WPSO Board of Directors. Day to day operations continue with the assistance of our numerous enthusiastic volunteers. All members are encouraged to join a committee where their interest lie. Please contact any of the board members with any concerns or suggestions.

PANCAKE BREAKFAST: The number of people attending the breakfast has shown a steady decline with only a few members coming to the breakfast. The board has decided to limit the number of pancake breakfast events to 4 or 5 a year. These will include the 4th of July and the September Cruise Above the Clouds Saturday plus any other events that attract a large number of people to Memorial Park. The good news is that as a benefit of membership, current members will only pay \$6.00 for the all you can eat breakfast. Be sure to check your newsletters each month for dates.

Thank you to...

SUMMER YARD SALE: The yard sale was a real success. We made over \$800.00. The following people get a well-deserved thank you for their hard work before, during and after the sale on Friday and Saturday: Pam Argo, Rose Banzhaf, Ed Blakely, Norma Franklin, Aline Goodchild, Jim Grover, Gwen Hensinger, Anna Mae Hoffman, Sue Holland, Cindy Meyer, Lillian Tilger, and Ed & Jeanette Zupancic. If I have omitted anyone, please forgive me.

Many Thanks to the Teller County Senior Coalition who provided the transportation for our Cripple Creek lunch and War Memorial outing on August 16.

AUGUST POTLUCK LUNCH: Many thanks to Mike Trodden who provided the wonderful piano program at the August Potluck.

AUGUST CATERED MEAL: The August Enchilada Catered Meal was provided by Sue Holland. Many Thanks to Sue and also Aline Goodchild, Gwen Hensinger, Jerry Burnham, Norma Franklin and Jeanette Zupanic who came early and stayed late to help with set-up and clean-up. The musical program provided by Ute Pass Chamber players, Barbara Riley-Cunningham, Elise Dunn and Bob Dunn, was fun, lively and enjoyed by all.

A huge THANK-YOU goes out to the Van Beek family who donated \$350 to the Senior Center following the memorial celebration for Bill!

Member Spotlight By Eva Mattedi

Each month we will feature a different member so that we can get to know each other better. See how much you have in common and say "Hi!" next time you see them!

Erin began her summer visits to Woodland Park while in high school student as a camper at "Paradise Guest Ranch". Erin and John live in Houston, Texas and are now summer residents of Woodland Park. Erin's favorite color is Emerald Green and Silver. The Straders love horses and have fun riding. John has built two barns for their "noble animals". They have one older horse at home in Texas. Erin's major hobby is riding horses but also enjoys reading, listening to good radio shows, painting and crocheting. Both John and Erin love traveling in their motor home.

Erin sites raising two sons as the biggest event of her life. John worked as a boat engine repairman and now enjoys his retirement. Erin loves ice cream of any flavor while John favors chocolate pie and then more chocolate! The Straders originally joined the Senior Center family because of the exercise classes. They like all the fun events and the food here at the center. Both enjoy visiting with the club members and hearing the local news.

VOLUNTEERING

Volunteering is a [helpful](#) activity where an individual or group provides services for no financial or social gain "to benefit another person, group, or organization". Volunteering is also renowned for skill development and is often intended to promote goodness or to improve human [quality of life](#). Volunteering may have positive benefits for the volunteer as well as for the person or organization served. It is also helpful to make social and business contacts for networking. Many volunteers are specifically trained in the areas they work, while others may serve on an as-needed basis, such as in response to an emergency or a last minute need for services. The Senior Club would not be here today without the dedication and support of the many volunteers we have donating their time and effort. A big 'Thank You' to all of you volunteers for your help and dedication. We can always use volunteers. If you are interested in helping the Club with many of the activities and events we offer, please contact the front desk for more information.

PHOTO CONTEST

Fall is here, which means it's that time of year again where the aspens are popping in Colorado's high country. Aspen, known as quaking aspen, are Colorado's only widespread, native, deciduous tree and can be found from 6,500 to 11,500 feet in elevation, all the way from the Front Range to the Western Slope. The aspen's delicate leaves and vibrant fall color often are displayed as a symbol of Colorado itself. Tune up that camera and hit the road for your favorite viewing spot. Take your best

picture and enter it in this month's Aspen Photo Contest. Stop by the front desk for a Registration Form and copy of the Contest Rules.

PLEASE REVIEW OUR WEBSITE!

The Club website is the central source for current and updated Club information on Membership, Benefits, Silver Key Lunches, Activities, Programs, Special Events, and the Monthly Newsletter. Please review the website (<http://www.woodlandparkseniors.com>) on all of your devices and contact the office if you are

having any problems. With numerous brands and types of devices (computers, cell phones, I-phones, tablets) it takes special programming for all types of devices to access all the functions on the website. We need to know if a particular function on your device is not working for you to access the website so we can fix the website.

Needed: A volunteer to lead a "How to use your computer" course!!!!

Are you comfortable using a computer? Do you like helping folks? Several of our members are in need of a tutor to help them become knowledgeable computer users. If you have a few spare hours and would enjoy helping others into the technology age, please contact any of the board members or the Senior Center front desk. 719-687-3877

Always...Patsy Cline

By Ted Swindley
The Lady...the
Legend...Patsy Cline.

An Instant Classic! Always...Patsy Cline is based on the touching true story affectionately told through letters written between Patsy and her biggest fan turned confidant, Louise Segar. A genuine bond of friendship, which began over a cup of coffee, lasted until Cline's untimely death in 1963. Told through downhome country humor, heartache, and celebration,

Always...Patsy Cline takes audiences through the ups and downs, from her breakthrough on live radio, to her rise to fame at the Grand Ole Opry. Featuring 27 unforgettable hits, including "Crazy", "Walkin' After Midnight", "I Fall to Pieces", and "Sweet Dreams", this musical memory book is a glorious tribute to the one-of-a-kind sound of Patsy Cline!

ASPEN PHOTO CONTEST

September 6, 2018 - 12:30 pm

How to take prize winning photos presentation!

Starting at 12:30, Russ Frisinger will give tips to help you take the best outdoor photos possible with your personal photo equipment. Be sure to bring your camera! He will also give you advice about where to go to get your 8 x 10 print to enter into the contest.

Russ has been an avid photographer for all of his adult life! Here is a bit about his experience and accomplishments. He acquired his first SLR when his son was born, over forty years ago. He developed his film until he was tired of building darkrooms when transferred too many times. So now he sits on thirty years of 35mm slides. Some of which have won contests, and are images hanging in homes around the world. He graduated to digital in the two-thousand oughts and have shot loads of wildlife for the past 9 years.
